

Heritage Day 2016

Thank you so much to all the Ridge parents that volunteered for Heritage Day and made it a huge success. The children and teachers were so excited about the amazing country presentations, the fun crafts and the tasty treats. We had such a diverse group of countries represented and it really brought to light the culturally rich demographic that we have in our school.

This event took some logistical maneuvering and we could not have done it without the parents who volunteered to lend a helping hand with cleanup, setup and escorting students to their parents' classrooms, as well as Mr. Jones who helped everything run smoothly. In addition, a very big thank you to the HSA for funding the stellar performance by Universal African Dance and Drum Ensemble. Finally, hats off to Mrs. Schoenlank, Mrs. Quinlan and Mrs. Brunner, for their enthusiasm about Heritage Day and their material support for all the copies we made, and to the Ridge teachers who gamely decorated flags and took their classes from country to country. Thank you all!!
