

Ridge Student Council Needs YOUR HELP!

The student council is working together with the Ridgewood Social Services Association to help 4 needy families. We have “adopted” four children and we will supply them with the things they need to get through the long, winter months.

**In order to purchase winter clothing, such as coats, gloves, boots, hats, and pants we need your donations. We will be collecting donations now through
Friday, December 11th.**

You may deposit your donations in the jar in the front hall or to the office in an envelope labeled “Student Council Holiday Shopping.”

We greatly appreciate your support and we KNOW that the children receiving these items will too!
