~The 7th Grade Volunteers- too numerous to mention individually, we appreciated their youthful energy

~The children of Volunteers who came to help and therefore enabling their parents to be there

If we missed you in this thank you, you are not without our sincerest gratitude for your generosity with your time!

We tried to catch everyone who came and everyone who signed up via Volunteer Spot but I am sure a few of you slipped through in the chaos. Especially any Dads we missed, we really appreciated you!

Bake Sale Volunteers to be thanked separately
