November 10, 2015

Dear Parents,

The Social Service Association has again requested Ridge School to participate in the annual Thanksgiving food collection. The Ridge Student Council will help coordinate this effort.

Each of our classes is being asked to supply foodstuffs. Suggested contents for food baskets include the following: canned fruits and vegetables, cake and pudding mixes, macaroni, pasta, stuffing mix, cans of main dish food (stews, etc.), tea, coffee, cereal, rice, powdered milk, cookies, jelly, peanut butter, potatoes, onions, turnips, etc. A more detailed list is available on our website.

This special project offers our students an opportunity to share with others at this special holiday season. Thank you for your help.

Sincerely,

Jean Schoenlank  
Principal

Note: Collection will be made on the morning of Monday, November 23rd by the Social Service Association.
